Screening Number	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	Total thru May 2023
Screening Location	Norwalk	San Diego	Guadalupe	Hawthorne	Spring Valley	Thermal	Palmdale	West Covina	Montebello	Fontana	Santa Paula	Beaumont	Pasadena	Santa Ana	Escondido	Norwalk	Oxnard	Pomona	
Pathology, type of	CALIFORNIA LIONS FRIEND IN SIGHT, PATHOLOGY PROFILE FOR FYE JUNE 2023																		
Cataracts	1	4	2	1	3	2		2	2	2	4	1		6			1	5	36
Glaucoma & or suspect	3	13	2	4	1			2	4	6	5	1	3	15	3	13	2	16	93
Pterygium		1	1			1			3	1				1		1			9
Laser Peripheral Iridotomies(narrow angles)								1	1										2
Strabismus / Amblyopia (visual therapy & or surgery)														2					2
Dry Macular Degeneration, life style advice			1											1					2
6 month follow up on background diabetic retinopathy													1	2				2	5
Na Yag capsulotomy for a secondary cataract														1					1
SX / Medical Tx for proliferative diabetic retinopathy			1	1															2
Retinal Detachment															1				1
Amaurosis fugax																			0
SX / Medical Treatment for diabetic maculopathy		1	1								1							1	4
Laser treatment for proliferative retinopathy (sickle cell)																			0
Dilated Fundus Examination for flashes & floaters																		1	1
Treatment for Neovascular Glaucoma/ Diabetes																			
Excision of a sebaceous cyst																			
Work up for recent onset of diplopia / strabismus																			
Treatment for a corneal abrasion																			
Optic Neuritis																			
Bacterial Conjunctivitis																			
Allergic Conjunctivitis																			
Seborrehic or Staph. Blepharitis																			
Work up for optic disc pallor																			
3 month follow up on diabetic retinopathy										1									1
Ptosis surgery														1					1
Dilated Fundus Examination for high myopia																			
HGP Contact Lens fit for irregular cornea / keratoconus														2					2
Ectropion Surgery																			
Macular Hole																			
Penetrating Keratoplasty secondary to corneal scar																			
Visual field loss																			
Pupillary defect																			
Intermittent diplopia																			
Optic Atrophy																		1	1
Unilateral Aphakia																			
Anterior Uveititis																			
Transient bilateral loss of complete visual field																			
Lacrimal dilation/probing/irrigation																			
Prosthetic shell																			
Bilateral optic disc edema / incipient congestion																			
Optic disc shunt vessels																			
Branch Retinal Venous Occlusion																			
Central Retinal Venous Occlusion																			
Wet Macular Degeneration																			
Pars Planitis																			
Blepharospasm																			
Conjunctivial mass lesion																			
Marginal Keratitis																			
Conjunctivial cyst																			
Retinal Mass Lesion, vascularized																			
Convergence Insufficiency																			
Retinal Hole / Retinal Tear																			
Episcleritis																			
Central Serous Chorio-retinopathy																			
Low Vision Workup																			
Corneal ulcer																			

Choroidal nevus vs. malignant melanoma																			
Corneal Foreign Body														1					1
Vitreous Hemorrhage																			
endophthalmitis																			
old retinal detachment repair																			
asteroid hyalosis, vitrectomy consideration																			
ruptured limbal sutures																			
ectopic pupil secondary to peripheral anterior synchiae																			
Chalazion																			
Orbital Pain																			
Thygeson's Keratitis																			
Blepharochalasis																			
Iris melanoma																			
Herpes Simplex Keratitis																			
Amblyopia																			
Bell's Palsy																			
Basal Cell Carcinoma																			
Hollenhorst plaque, emboli lodged in retinal arteriole																			
Calcific Band Keratopathy																			
Disciform Keratitis																			
Proptosis, unilateral or bilateral																			
Conjunctivial Vascular Lesion																			
Contact Lens Fitting for Anisometropia																			
Phthisis																			
Hordeolum																			
Orientation & Mobility Training:																			
Macular Dystrophies																			
Limbal Dermoid																			
Keratitis, secondary to contact lens overwear																			
Isolated cotton wool spots																			
Retinitis Pigmentosa																			
High Myopia, CL intolerance: Intra-ocular Contact Lens																			
Elevated Sub Retinal Mass Lesion																			
Epi-retinal Membrane																			
Visual Therapy for a General Binocular Dysfunction																		1	1
plaquenil macular toxicity																			
hypertensive retinopathy																			
systemic assessment / treatment for high cholesterol																			
speciality contact lens fit for congenital aniridia																			
work up for chronic progressive external ophthalmoplegia																			
treatment for an inflammed pterygium / pinguecla																			
dry eye syndrome / punctate keratitis																			
trichiasis																			
Graves Ophthalmopathy																			
uni/bilateral retinal microaneurysms w/o known cause																			
recurrent sub-conjunctival hemorrhage/systemic evaluation																			
suspicious lid lesion, cancer?																			
un-explained visual field loss, systemic work up needed																			
recent constant headache w or w/o neurological company																			
work up for un-explained vision loss																			
work up for hemi-facial spasm																			
severe non-proliferative diabetic retinopathy							1												1
xanthelasma													1						1
